Piatto doccia Ceramilux®

Shower tray Ceramilux®

MANUTENZIONE

Per la normale pulizia si consiglia di utilizzare detergenti di uso comune. Si sconsiglia l'utilizzo di detergenti abrasivi, acidi e anticalcare.

NOTA

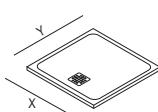

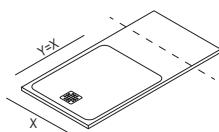

La ferramenta in dotazione permette il fissaggio degli accessori su pareti in mattoni pieni o forati e in calcestruzzo. Per pareti in cartongesso è necessario rinforzare adeguatamente la zona interessata ed eventualmente adottare sistemi di fissaggio specifici.

MAINTENANCE

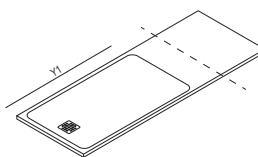

For normal cleaning use common detergents. Do not use either abrasive detergents or solvents, acids and anti limestone.

NOTE

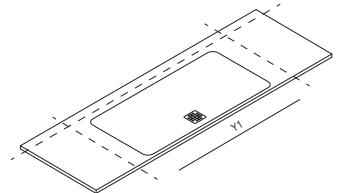

The assembly material supplied allows the installation of the accessories on solid and hollow brick walls and on concrete walls. For plasterboard walls it is necessary to reinforce adequately the area concerned and to adopt specific fixing systems if necessary.
